The Audi A4, A4 allroad and S4

Pricing and Specification Guide

Valid from June 2013

Personalising your Audi A4

This guide has been designed to help you tailor and price your Audi A4 quickly and logically. At the back, you will find information on CO_2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. You can also configure your Audi A4 online at audi.co.uk.

Audi Vision

To accompany this printed guide, we've created Audi Vision – an intuitive app that lets you find out even more about the Audi A4. Compatible with Apple and Android phones and tablets, Audi Vision gives you exclusive access to images, information and video content – all of which is designed to help you explore and understand the options available with this model.

You'll see the Audi Vision logo printed next to the page number on pages throughout this guide and wherever you do, you'll be able to view additional content on that page.

Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

The enhanced Audi A4

Driving just got more personal. We've developed a range of technologies for the Audi A4 to give you exceptional precision and efficiency on every journey. But you'll also find an upgrade in design quality, for a crisper and more focused look and feel both inside and out. Just as forward-thinking is the choice of advanced engines – including the 3.0-litre TDI engine, currently one of the most economical V6 TDI engines in its class.

20:07
A4

A4 interior story

We've introduced a number of finishing touches to the Audi A4 interior to make your driving experience both comfortable and unique. You'll find an impressive attention to detail in everything from the colour Driver's Information System to our optional luxurious leather upholstery, which means that every journey you make will be a personal one.

Engines

Petrol

FSI® direct-injection technology is a unique Audi innovation that was originally developed for the Le Mans 24-hour endurance race to deliver more power and torque, as well as enhanced fuel efficiency. Precisely the right amount of fuel and air are injected into the combustion chambers, enabling the engine to ‘breathe’ more easily. It results in reduced heat loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. We’ve also developed TFSI®, with either turbocharging or supercharging, which combines FSI® technology with forced induction – giving cars an extra injection of power.

Diesel

We introduced TDI® to the roads in 1989, and since then, we’ve continuously refined it, including developing common-rail technology. Under this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which lowers emissions.

Images are for illustrative purposes only

Transmissions

multitronic®

Translating a driver's preferences and intentions into road performance, the multitronic® transmission system entertains no compromises – whether in terms of dynamism, convenience or economy. multitronic® automatic transmission is available on models without quattro® permanent all-wheel-drive. A continuously variable transmission, multitronic® can transmit up to 400 Nm of torque and permits an exceptionally wide range of gear ratios. The result is smooth, powerful acceleration and a high level of driving comfort. And thanks to its lightweight design and a number of advanced electronic control systems that monitor gradient, road conditions and the way the driver is using the accelerator pedal, multitronic® also plays an instrumental role in reducing fuel consumption.

S tronic®

Driving is all about thinking ahead, which is just what the S tronic® dual-clutch transmission does. It works almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear waiting for you. And once you make the switch, it's already thinking about fourth. With two clutches working together, you can change gears almost instantly while experiencing smooth, uninterrupted power.

Efficiency

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less CO_2 and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi A4.

Recuperation

When a vehicle brakes, the discs convert the kinetic energy into thermal energy, which is wasted as it cannot be used. With a recuperation system, like the one in the Audi A4, the kinetic energy is converted into useful electrical energy. The way it works is simple. While the car is coasting or braking, the alternator voltage is raised above the level of the basic electrical system, which enables the alternator to generate electrical energy and store it temporarily in the battery. When the vehicle accelerates, this energy is used to relieve the load on the alternator, resulting in a fuel saving of up to 3%.

Automatic Start-Stop function

In heavy traffic, your car still uses fuel and releases CO_2, even when it's stationary. The automatic Start-Stop function counteracts this problem by switching off the engine when your car comes to a standstill. As soon as you touch the clutch, the car restarts. In conjunction with TDI® and TFSI®, it helps save up to 0.4 litres of fuel every 100km.

Images are for illustrative purposes only

Efficiency programmes

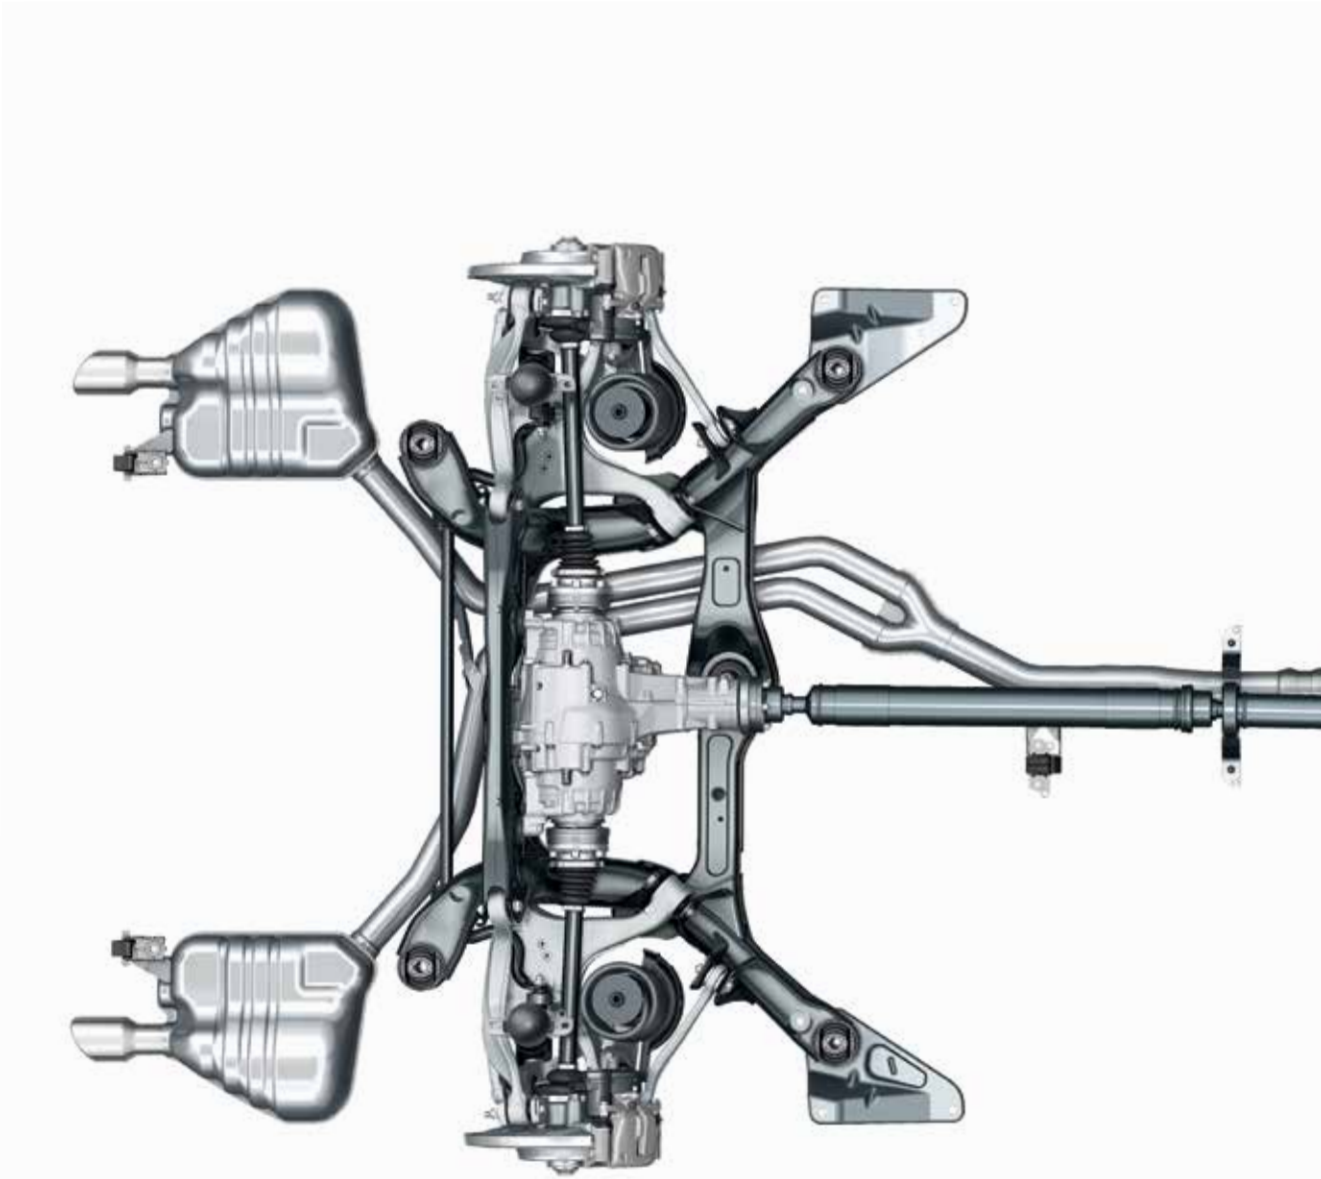
The Driver's Information System in the Audi A4 comes as standard with an innovative efficiency programme, which offers advice on improving fuel economy as you drive. It also shows you which items in your car are using energy, and how much they are using, so you can make an informed choice about which ones to switch off. Through the optional Audi drive select system, you can choose a new efficiency setting which aids you in driving even more economically.

Aerodynamics

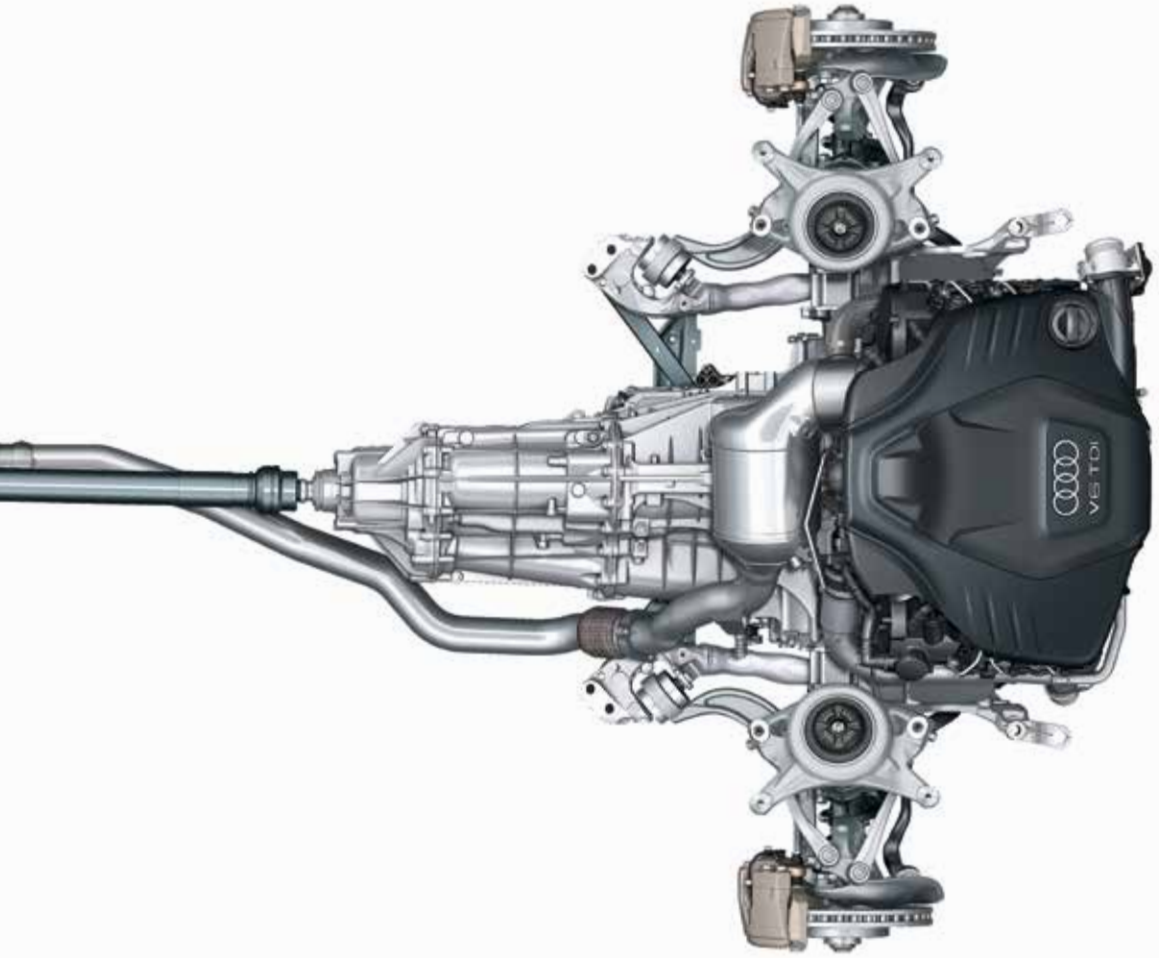
A car's shape can have a significant effect on its efficiency. It's why we've worked to make the Audi A4 as aerodynamic as possible.

quattro®

It’s the technology that has given Audi the edge on the rally circuit ever since it was first introduced over 30 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the Audi A4 so thrilling to drive. It’s called quattro® permanent all-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels deliver better acceleration and road-holding, pushing or pulling the car as needed, for a driving experience that’s both dynamic and safe.



Images are for illustrative purposes only



In the Audi A4, asymmetric dynamic torque distribution continuously distributes drive power between the front and rear axles depending on weather conditions, road surface and gradient, which increases flexibility for an enhanced, sportier drive.

quattro® with Sports differential

The optional electronically regulated Sports differential distributes variable amounts of drive force to each rear wheel, ensuring outstanding acceleration performance in corners and stabilising the vehicle's response to load change. It also brings better direct steering characteristics and, as it requires less steering effort, more agile handling.

IN A 400

IN A 4008
A4

SE model equipment

All A4 models have the following items of standard equipment

Engine

Automatic Start-Stop function for greater fuel and CO_2 efficiency

Misfuelling inhibition for diesel engines

Recuperation for optimal energy utilisation

Wheels, tyres and suspension

17" x 7.5J '5-spoke' design alloy wheels with 225/50 R17 tyres and locking wheel bolts. TDIe models feature low rolling resistance tyres

Space-saver spare wheel (not on Saloon TDIe models)

Tyre repair kit (Saloon TDIe models only)

Sports suspension lowered by 20mm (TDIe models only)

Seats

Cosinus cloth seats with manual height adjustment

Split-folding rear seats. Can be split and folded 40:60 or fully

Audio and communication

Audi sound system speaker package, 10 speakers including subwoofer (180 watts)

Concert radio which includes:
- Single CD drive and SDHC memory card reader which are both MP3, WMA and AAC compatible
- 6.5" colour centre display with MMI operating logic
- AUX-IN connection
- TP memo – automatically saves traffic news when driving

DAB digital radio reception – receives programmes from digital radio transmitters in addition to the range of analogue stations with better sound quality. When combined with a navigation system, a second DAB twin tuner permanently searches for alternative reception frequencies of the set station, and the station list is updated at the same time. Please note: reception depends on local digital network availability. When combined with a Technology package (WB7 or PCB) it is also capable of receiving DAB+ and DMB audio signals

Bluetooth interface for hands-free mobile phone connectivity. Includes voice control for telephone functions

Safety and security

Airbag system for driver, front passenger, front side and head airbag with front passenger airbag deactivation switch

Rest recommendation system – analyses driving behaviour based on steering, pedals and gear lever movements. If the system detects a change in driving patterns it can, via audio and visual effects, notify the driver of the possible need to take a rest

Car jack (not on Saloon TDIe models)

ESP including limited-slip differential on front-wheel-drive models

First aid kit

Front and rear fog lights

ISOFIX child seat mountings for front and outer rear seats

Light and rain sensor – automatically switches the dipped beam headlights and windscreen wipers on/off depending on the light and rain conditions. Also includes coming home/leaving home function which delays the deactivation of the front and rear lights after locking and automatic activation of the lights when unlocking

Colour Driver's Information System (DIS), with rest recommendation

17" x 7.5J '5-spoke' design alloy wheels

Rear parking sensors – facilitate parking by acoustically indicating the distance to obstacles; measurement is by ultrasonic sensors integrated discreetly into the bumper

Thatcham category 1 alarm and immobiliser

Toolkit

Warning triangle

Interior equipment

3-zone climate control with separate air distribution and digital display for driver and front passenger. System includes air-conditioning controls in the rear centre console for rear passenger compartment

4-spoke leather multi-function steering wheel adjustable for height and reach

12V power socket in boot (not on TDIe models)

Acoustic windscreen for reduced outside noise

Aluminium trigon inlays

Auto-dimming rear-view mirror

Cruise control – maintains any speed above 18mph, provided the engine power output and engine braking effect permit it; operated via separate steering column stalk. The set speed is displayed in the Driver's Information System

Door sill trims in Aluminium optic

Driver's Information System (DIS) in colour with energy-saving tips and rest recommendations. Shows the radio station or track title, telephone control, menu and other display information from the infotainment system such as navigation (if fitted). Also includes an on-board trip computer with short and long-term trip memory, outside temperature display, digital speedometer and door or boot open warning

Electric front and rear windows

Electromechanical parking brake includes parking brake function when stationary, drive-off assistance function through automatic release when driving away and emergency braking function whilst driving, acting on all 4 wheels

Electromechanical power steering

Front and rear floor mats

Front centre armrest including 12V power socket

Interior chrome package

Rear armrest

Exterior equipment

Auto-opening boot lid (Saloon models only)

Exhaust pipes – 4-cylinder models have twin exhaust pipes on the left hand side. 6-cylinder models and the 2.0 TFSI Avant and allroad models have one exhaust pipe on each side with chrome exhaust trim

Exterior aluminium package

Exterior mirrors – electrically operated and heated

Halogen headlights with electric headlight range control and daytime running lights

Power-operated tailgate – opened by pressing button on the car key, button in the driver's door panel or soft-touch button in the handle recess on the luggage compartment lid. Closed by pressing a button on the inside of the luggage compartment lid. The opening of the luggage compartment lid can be programmed to desired height (Avant models only)

Roof rails in bright finish (Avant models only)

Single frame front radiator grille with Stone grey horizontal bars

Rear parking sensors

Aluminium trigon inlays

SE Technik model equipment

In addition to SE model equipment

Basic RRP
£833.33

Total RRP inc VAT
£1,000.00

Wheels, tyres and suspension

18” x 8J “10-spoke” Exclusive design alloy wheels.

2.0 TDIe models feature 17” x 7.5J ‘5-spoke’ design alloy wheels with 225/50 R17 tyres and low rolling resistance tyres

Interior equipment

Milano leather upholstery – includes seats, head restraints, door inserts and front centre armrest in leather

Audio and communication

MMI Navigation system plus – hard disk navigation with topographical map display, places of interest and town models in 3D, with high-resolution 7” colour TFT display. The system offers three alternative routes, with the ability to scroll along the selected route and manoeuvre within the map. Uses 7-digit postcode recognition. Includes split-screen mode for route information, dynamic route guidance (TMC), intersection zoom function, motorway exits and lane recommendations in Driver’s Information System (DIS). When combined with Mobile telephone preparation - High with Audi connect, the system uses Google Earth images for navigation (shown in image below). Includes 2 SD card readers, single CD/DVD player and 40GB hard drive, Jukebox (20GB) for storing and managing music files in WMA and MP3 format. Includes European navigation data (where digitised)

Audi Music Interface – connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards and Apple iPhone

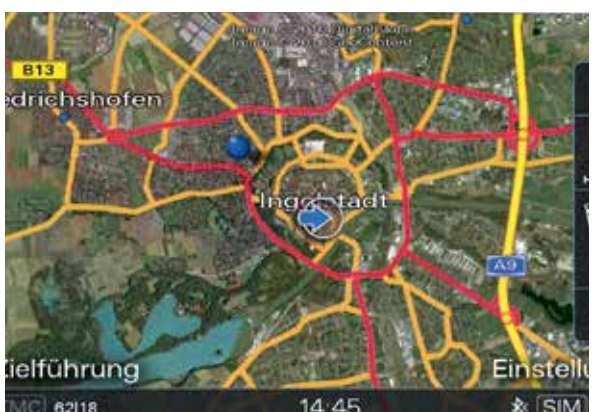
Safety and security

Audi parking system plus – acoustic and visual park assist system for the front and rear with MMI screen display; measurement is by ultrasonic sensors concealed in the bumpers

Exterior equipment

Metallic paint

Audi parking system plus



MMI Navigation system plus

Standard seat in Milano leather upholstery

107 WBG

S line model equipment

In addition to SE model equipment

Basic RRP
£2,129.17

Total RRP inc VAT
£2,555.00

Wheels, tyres and suspension

18" x 8J '5-twin-spoke' design alloy wheels with 245/40 R18 Y tyres

Sports suspension 20mm lower than standard with stiffer spring and damper tuning for more direct contact with the road and sportier handling (S line Sports suspension 30mm lower than standard – available in lieu of Sports suspension at no charge)

Interior equipment

3-spoke S line multi-function steering wheel with paddle shift for automatic models

Black headlining

Front Sports seats including electric lumbar support

Jet grey stitching to upholstery, steering wheel, gear lever gaiter and floor mats

Matt-brushed aluminium inlays

Perforated leather gear knob

S line sill plates

Sprint cloth/leather upholstery with S line embossing

Exterior equipment

Headlight washers for excellent illumination and improved visibility

S line exterior styling package including:
– S line side skirts
– S line front and rear bumpers
– S line diffuser insert in Platinum grey
– S line badges on wings

Rear LED lights

Roof spoiler (Avant models only)

Side radiator grilles in black honeycomb structure

Single frame front radiator grille with high gloss black horizontal bars

Xenon headlights with LED daytime-running lights

Diffuser insert in Platinum grey

Perforated leather gear knob

Xenon headlights

3-spoke multi-function steering wheel

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Image shows the A4 Saloon S line model with optional Scuba blue, metallic paint (S9)

Black Edition model equipment

In addition to S line model equipment

Basic RRP
£895.83

Total RRP inc VAT
£1,075.00

Wheels, tyres and suspension

19" x 8.5J '5-arm Rotor' design titanium finish alloy wheels with 255/35 R19 tyres

Audio and communication

Audi Music Interface – connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards and Apple iPhone

Bang & Olufsen sound system – 14 high-performance speakers and 2 amplifiers which create 505 watts of stunning surround sound, balanced to suit the specific acoustic properties of the car's interior

Safety and security

Audi parking system plus – acoustic and visual park assist system for the front and rear with MMI screen display; measurement is by ultrasonic sensors concealed in the bumpers (Saloon models only)

Exterior equipment

Black styling package – front radiator grille-frame and window surround in high-gloss black, with radiator grille and number plate holder in matt black. Avant models include black roof rails

Privacy glass – dark tinted from B pillar backwards (Avant models only)

Interior equipment

3-spoke multi-function flat-bottomed steering wheel with paddle shift for automatic models

Piano finish black inlays

Audi Music Interface

Bang & Olufsen sound system

3-spoke multi-function flat-bottomed steering wheel

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

A4 allroad model equipment

In addition to Avant quattro SE model equipment

Basic RRP
£837.50

Total RRP inc VAT
£1,005.00

The A4 allroad quattro combines the assertive look of an off-road vehicle with the elegance of an Avant. With increased body height and a wider wheel track, the A4 allroad quattro makes a powerful impression. And the quality of your ride is also enhanced, using suspension technology developed specifically for the allroad quattro for a reliable and consistent off-road drive. Alongside greater stability, you'll also have outstanding grip in the most demanding conditions thanks to our quattro permanent all-wheel-drive system and ESP off-road detection, both of which come as standard. So whether you're on or off the road, the A4 allroad quattro is just as capable.

Wheels, tyres and suspension

18" x 8J '10-spoke' design alloy wheels with 245/45 R18 tyres

37mm suspension lift over standard A4

Collapsible spare wheel

Off-road detection system – recognises the quality of the ground and adjusts the ESP accordingly

Interior equipment

Door sill trims with allroad quattro logo

Load-area fixing kit – includes load-area rails, telescopic bar and securing belt for dividing up luggage compartment

Reflex finish inlays in Steel grey*

Reversible luggage compartment floor mat – can be reversed to provide a rubber mat which extends to cover the entire load area and protect rear bumper

Storage package – comprising storage nets on front seat back-rests, storage compartment under the front seats, drinks holder in the rear centre armrest and a lockable glove compartment

Exterior equipment

A4 allroad single frame grille with vertical chrome bars

Bumpers in contrasting paint finish (please see page 56 for colour guide)

Headlight washers for excellent illumination and improved visibility

High roof rails

Off-road aluminium package – including roof rails, roof frame and window capping strips in aluminium, B-pillar trim and triangular panels on the rear doors in high-gloss black, sill extensions with stainless steel insert

Underbody protection in stainless steel

Wheel arch and sill extensions

Seats

Tundra cloth upholstery

Door sill trims with allroad quattro logo

High roof rails

Underbody protection in stainless steel

*Reflex finish inlays in Moor brown when in combination with Velvet beige leather (Milano or Fine Nappa).
RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Image shows the A4 allroad model with optional Moonlight blue, metallic paint (W1)

S4 quattro model equipment

In addition to SE model equipment

One look at its muscular body styling, 18" alloy wheels and subtle S4 badging, and it'll come as no surprise that the Audi S4 features a powerful 3.0-litre V6 supercharged engine, capable of taking you from 0 to 62mph in 5 seconds. And from the comfort and stability of a stylish leather/Alcantara Sports seat, you can sit back and enjoy every single unit of this engine's 333PS capability – not to mention the roadholding of quattro permanent all-wheel-drive.

But sleek styling and powerful performance in the S4 don't come at the expense of functional, driver-oriented specifications. Simple yet thoughtful touches, such as the matt-brushed aluminium inlays, S instrument dials and electric front Sports seats have been included to ensure that your life runs as smoothly as your Audi does.

Wheels, tyres and suspension

18" x 8.5J '5-double-spoke S' design alloy wheels with 245/40 R18 tyres

'S' sports suspension with stiffer spring and damper tuning for more direct contact with the road and sportier handling

Safety and security

'S' model enhanced braking system

Interior equipment

3-spoke 'S' Sports multi-function steering wheel with aluminium-look paddle shift

Aluminium scuff plates

Interior lighting package – includes front and rear footwell lighting, active door reflectors, illuminated vanity mirrors, rear reading lights, entrance lights and illuminated glove compartment, vents and internal door controls

Inlays in matt-brushed aluminium

'S' instrument cluster

Exterior equipment

4-oval twin tailpipes in chrome finish

Aluminium-effect door mirror housings

Headlight washers for excellent illumination and improved visibility

Integrated boot-lid spoiler (Saloon models only)

LED tail-lights

Painted brake callipers with S4 logo (on front brakes only)

Platinum grey single frame front radiator grille with chrome horizontal bars

Roof spoiler (Avant models only)

'S' front and rear bumpers and side skirt

Xenon headlights with LED daytime-running lights

Seats

Sports seats with electric adjustment and lumbar support

Leather/Alcantara upholstery

Optional S4 Super Sports seats

'S' instrument dial

Oval twin tailpipes in chrome finish

Audi exclusive

Every Audi is intrinsically exclusive.
It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that special touch you can specify your Audi A4 with options from Audi exclusive. Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.

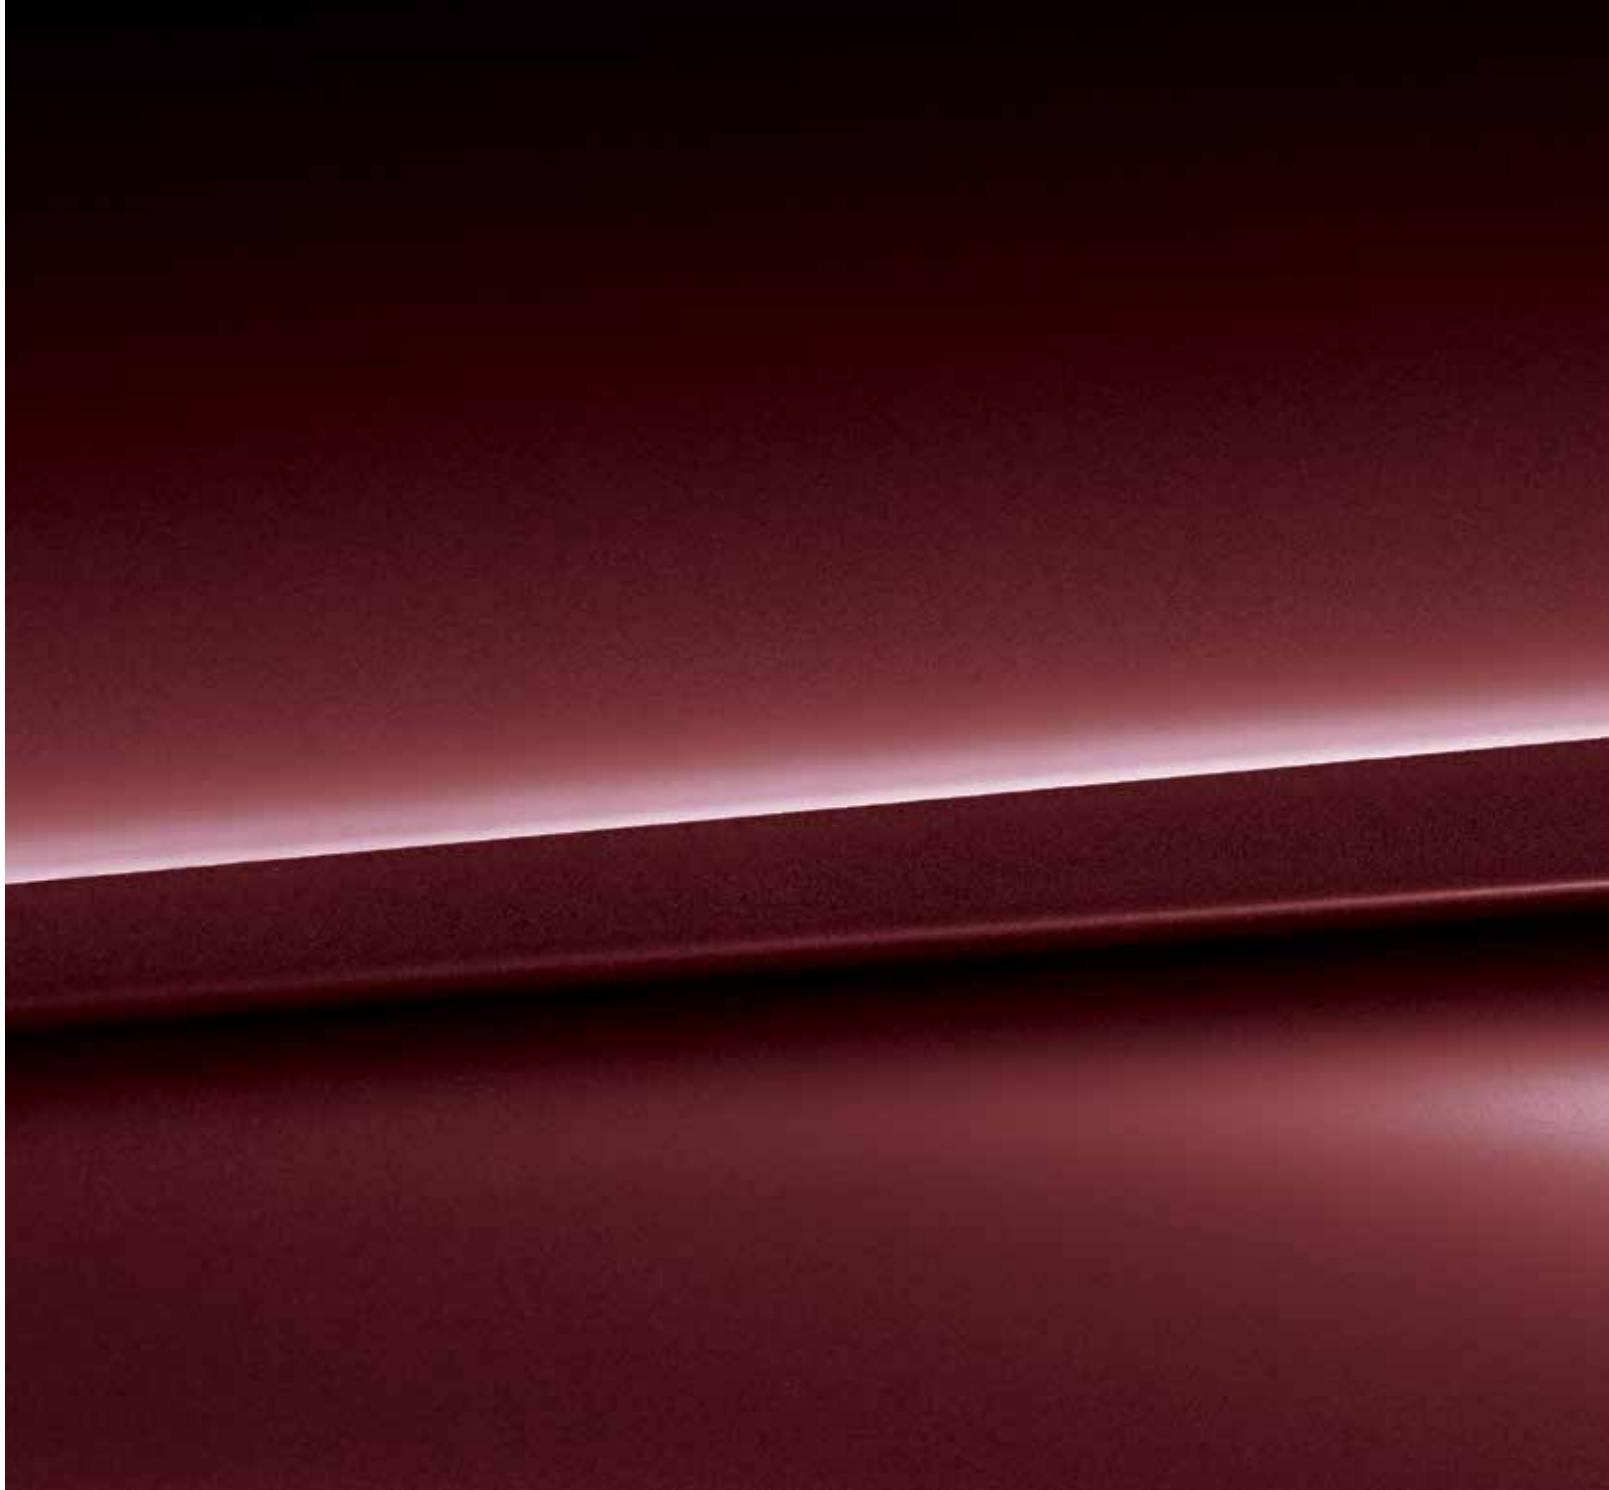
Audi exclusive line

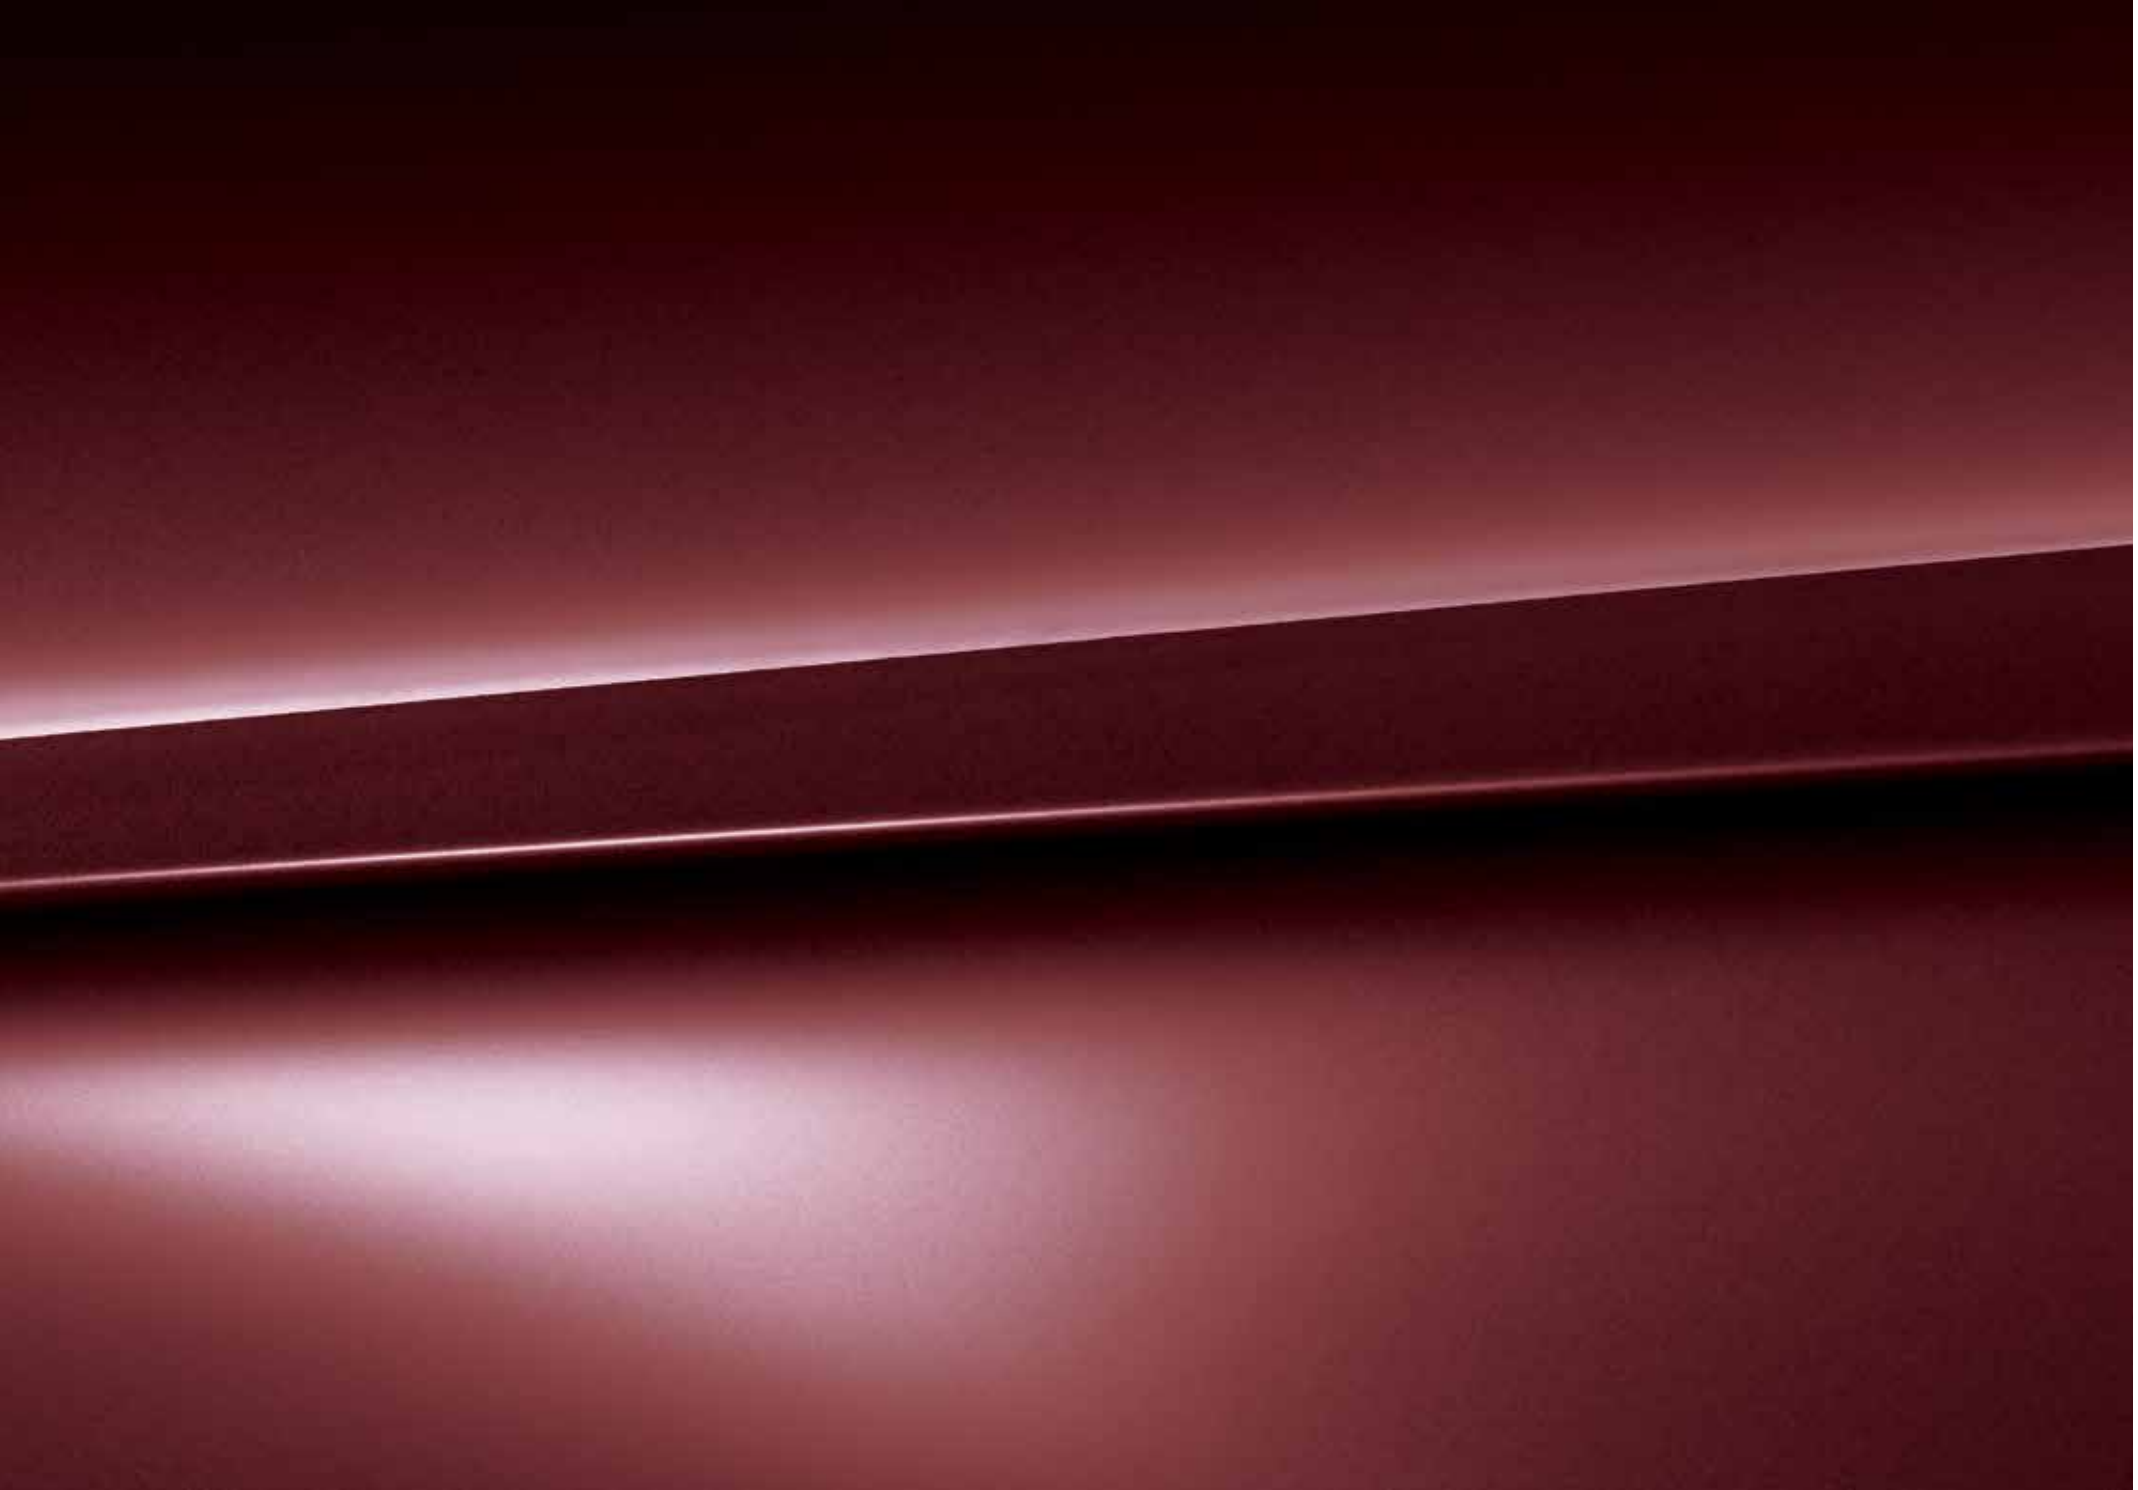
There are a number of ways to customise your car's interior with the Audi exclusive range. And if you'd like us to help you choose, we've put the most popular elements of the range together into one harmonious package – the Audi exclusive line.

With experience over more than 20 years, our expert designers understand which elements work well together. From high-quality Fine Nappa leather seats to Audi exclusive door sill trims, every detail has been chosen to truly enhance your drive.

Paint

We believe that every part of your car should have a personal touch. Which is why you can choose from a wide range of paint colours and finishes, from standard shades to metallic and pearl effects. We can even mix a customised colour for you to create the perfect fit.





Paint

You can select one of the standard colours shown opposite or, for a different look, choose from a range of optional finishes.

Options are subject to availability and may extend delivery.

*Not available on A4 allroad or S4.

**Not available on S4.

***On SE Technik trim the optional colours have no charge.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

Visit your local Audi Centre for a more accurate colour swatch.

RRP – Recommended Retail Price.

VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Paint

Audi exclusive

Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. Choose from the swatches here, or specify any other paint colour in the Audi range – whether it's Sepang blue from the Audi R8 or Alpine white from the original Audi quattro. The choice is yours.

Customised paint

If you have a particular colour in mind, we'll mix the exact metallic or pearl-effect shade you want.*

*Customised paint is subject to factory approval, and is available for metallic and pearl-effect water-based paints only. Three-colour process colours and two-tone schemes are not available.

**Visit your local Audi Centre for colour samples.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

Upholstery

Audi exclusive

With Audi exclusive, you can specify your seats in Valcona leather or Valcona leather/Alcantara, from an array of different colours shown to the right.

Select just one all-over shade for each seat, or customise each panel in two or more complementary colours from the distinctive Audi exclusive palette. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, we are sure you'll be extremely comfortable with the result.

Cloudy grey – **UH**

Cognac brown – **QX**

Alabaster white – **UA**

This package includes

- Sports seats in two-tone Fine Nappa leather upholstery. Seat-centre sections in Cloudy grey, Cognac brown or Alabaster white. Seat-side sections and head restraints in black with decorative stitching to match seat centres
- Door panels in Fine Nappa leather to match seat centres
- Black dashboard and carpets
- Black cloth headlining
- Audi exclusive sill trims*
- Matt-brushed aluminium inlays
- Black front and rear floor mats with leather piping to match seat centres
- 3-spoke Sports multi-function steering wheel in black leather and gear lever gaiter with stitching to match seat centres**

Options are subject to availability and may extend delivery.

– = Not available
• = Available
S = Standard

*When ordered in combination with S line, Audi exclusive sill trims are replaced with S line sill trims.

**On Black Edition models the standard flat-bottom steering wheel is replaced by the 3-spoke Sports multi-function steering wheel.

RRP – Recommended Retail Price.

VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Inlays

Attention to detail can make a big impact. From contemporary black Piano finish to a brown walnut, our selection of inlays make the perfect finishing touch to your car’s interior.

Inlays

Inlays are the all-important finishing touch that add flair and interest to your car's interior.

Options

Every driver has different needs, which is why we have created some useful options to further enhance your car. For extra comfort, support, style or function, you can choose from a variety of additional features, tailoring everything from your infotainment and audio equipment to your wheels and lighting.

Wheels, tyres and suspension

Choose a set of specially-selected alloy wheels to subtly enhance the way your car looks and drives. And you can also specify Audi drive select, which allows you to change suspension and steering settings according to your driving style.

Packages

Some items work well together, which is why we've created these special packages. They provide increased convenience and value by combining several of our most popular options.

Order Code			SE	SE Technik	S line	A4/S4 Black Edition	A4 allroad	S4 quattro	Basic RRP	Total RRP inc VAT
WB7 7X4	**Technology package** Includes the following features: **MMI Navigation system plus.** Hard disk navigation with topographical map displays places of interest and town models in 3D, with high-resolution 7" colour TFT display. The system offers 3 alternative routes, with the ability to scroll along the selected route and manoeuvre within the map. Uses 7-digit postcode recognition. Includes split-screen mode for route information, dynamic route guidance (TMC), intersection zoom function, motorway exits and lane recommendations in Driver's Information System (DIS). When combined with Mobile telephone preparation - High (9ZW), the system uses Google Earth images for navigation. Includes 2 SD card readers, single CD/DVD player and 40GB hard drive, Jukebox (20GB) for storing and managing music files in WMA and MP3 format. Includes European navigation data (where digitised) **Audi music interface.** Connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards and Apple iPhone **Audi parking system plus.** Acoustic and visual park assist system for the front and rear (Standard on Saloon Black Edition models)		●	S	●	–	●	●	£1,412.50	£1,695.00
		Avant	–	–	–	●	–	–	£1,200.00	£1,440.00
		Saloon	–	–	–	●	–	–	£929.17	£1,115.00
PCB WB7	**Technology package – Advanced** Includes all the features of Technology package as well as: **Adaptive cruise control with braking guard.** Intelligent automatic speed and distance control system. Works at speeds from 19-124mph, using radar sensors to measure and maintain required distance to vehicle ahead by braking and accelerating. Four programs (distance 1 to distance 4) set via steering column controls of the cruise control system. Includes Audi braking guard – a system which triggers a visual and acoustic alarm when it detects the risk of a rear end collision with the vehicle in front. At speeds below 19mph the system can initiate partial braking or full deceleration if a potential impact is detected to help prevent a collision, or if it is not possible to completely prevent a collision, the system will focus on reducing the speed at which the vehicles collide **Audi active lane assist.** Helps the driver to stay in lane with gentle steering impulses for greater safety and convenience, particularly on motorways and country roads. The system informs the driver if the car is drifting out of its lane unintentionally above approximately 37mph		●	–	●	–	●	●	£1,933.33	£2,320.00
		Avant	–	–	–	●	–	–	£1,720.83	£2,065.00

Order Code		SE	SE Technik	S line	A4/S4 Black Edition	A4 allroad	S4 quattro	Basic RRP	Total RRP inc VAT
PT5	**Mobile telephone preparation – Low with Bluetooth and voice control.** Provides hands-free connection via Bluetooth using mobile phone aerial. Alternatively, it can use a cradle with charging facility for optimal reception via external aerial. Located in front centre armrest. Cradle available at extra cost – please contact your Audi Centre for phone compatibility	●	●	●	●	●	●	£145.83	£175.00
9ZW	**Mobile telephone preparation – High with Audi connect.** Mobile telephone preparation – High with Audi connect. Audi connect provides access to a number of innovative online services via an internal UMTS (3G) module. Audi connect online services include: navigation using Google Earth images and Google Street View, destination entry via Google Maps or myAudi, online point of interest search and information services such as weather forecasts and the latest world news. Audi connect also includes Audi traffic information online, which gives accurate real-time forecasts of the traffic situation along the chosen route. The traffic situation can be displayed on the navigation map or Google Earth image. Audi connect can also create a Wi-Fi hotspot in the car for convenient internet access using a mobile device (e.g. laptop or tablet). Many Audi connect features can be simply operated via MMI Navigation Plus, the multi-function steering wheel or the voice control system **Important connectivity information:** An external data source is required to enable the Audi connect online services. One of the two following external data sources can be used[1]: 1. a mobile telephone with Bluetooth SIM Access Profile[2] 2. a separate SIM card which can be inserted in the included SIM card reader. When a separate SIM card is used, hands free phone calls are possible using the SIM card or by connecting a different mobile telephone via Bluetooth Hands Free Profile Only in combination with a Technology Package (WB7 or PCB)	●	●	●	●	●	●	£291.67	£350.00
UF7	**Audi Music Interface.** Provides connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards and Apple iPhone. Provides intuitive control through the audio system and multi-function steering wheel. It also replicates the iPod display on the audio screen and DIS, including track titles. The interface provides a charging function (dependent on device). Includes 2 cables to connect your iPod or USB MP3 device. Also available as part of Technology packages	●	S	●	S	●	●	£212.50	£255.00
7D1	**CD changer and DVD player.** 6-CD changer located in the glove box and single CD/DVD slot in centre console. Only available in combination with a Technology package (WB7 or PCB)	●	●	●	●	●	●	£254.17	£305.00
9WM	**Rear Seat Entertainment.** Includes two detachable DVD players/monitors fitted to the back of each front seat (supplied by Audi Genuine Accessories). The back of each front seat is fitted with mountings and power connections. The system can be used outside the car with a rechargeable battery or mains power connection, which is included in the package. Includes individual remote controls and two sets of headphones. Not available in combination with front Super Sports seats (PS6)	●	●	●	●	●	●	£875.00	£1,050.00
QU6	**Digital TV reception.** Reception of digital (DVB-T) uncoded television stations (MPEG-2 standard), TV picture, teletext and Electronic Programme Guide (EPG). Facility to connect 2 external AV sources via adaptor cables (available from Audi Genuine Accessories). Please note: TV reception depends on local digital network availability. No AV or TV video output when driving (audio output available when driving). Only available in combination with a Technology package (WB7 or PCB)	●	●	●	●	●	●	£687.50	£825.00

7X4	**Audi parking system plus.** Acoustic and visual park assist system for the front and rear with MMI screen display; measurement is by ultrasonic sensors concealed in the bumpers (standard on Saloon Black Edition models). Also available as part of a Technology package (WB7 or PCB)	●	S	●	●	●	●	£270.83	£325.00
7X8	**Audi parking system advanced**. Aids parking by acoustically and visually indicating distances to obstacles with guiding lines. Measured by sensors and reversing camera. Only available in combination with a Technology package. Not available on Saloon TDIe models	●	●	●	●	●	●	£283.33	£340.00
UH2	**Audi hill-hold assist.** Uses either the ESP system or electromechanical parking brake to hold the vehicle stationary	●	●	●	●	●	●	£54.17	£65.00
7Y4	**Audi active lane assist.** Helps the driver to stay in lane with gentle steering impulses for greater safety and convenience, particularly on motorways and country roads. The system informs the driver if the car is drifting out of its lane unintentionally above approximately 37mph. The driver has the choice of two system settings in the MMI: – Early steering intervention – continuously helps the driver to stay in lane with steering impulses that centre the vehicle in its lane – Late steering intervention – alerts the driver that the vehicle is possibly crossing the lane markings at the same time as providing a corrective steering prompt An additional warning in the form of the vibrating steering wheel is issued when lane markings are crossed, if specified by driver. Not available on Saloon TDIe models in combination with Audi side assist	●	●	●	●	●	●	£308.33	£370.00
7Y1	**Audi side assist.** Aids the driver when changing lane. Audi side assist monitors the area behind your car, using radar sensors located discreetly in the rear bumper, informing the driver with a visual warning signal in the door mirror if there is a vehicle in their blind spot or approaching quickly from behind. The system is activated using a button in the driver's door. Not available on Saloon TDIe models in combination with Audi active lane assist	●	●	●	●	●	●	£366.67	£440.00
4X4	**Rear side airbags.** For the outer rear seats, incorporated into the seat backrests; supplement the side impact protection in the doors and the head airbag system	●	●	●	●	●	●	£212.50	£255.00
7K6	**Tyre pressure loss indicator.** A visual and acoustic warning when the system detects a potential loss of tyre pressure	●	●	●	●	●	●	£62.50	£75.00

Looking after your Audi

When you've chosen your ideal model, it's reassuring to know that it will remain in safe hands. That's why we've created products to protect your Audi, from extended warranties to Audi Complete – our comprehensive service and maintenance package. And there's also a range of Audi accessories and merchandise to choose from, enabling you to further enhance and safeguard your car.

Audi Complete

Audi Complete is simply a way to look after the servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years, including your first MOT. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts. You can also opt for our Service only or Service and Maintenance packages if you prefer.

*Retail customers only. Pricing based on 3 years/30,000 miles (whichever occurs sooner). All pricing is a 'starting from price for the Audi A4 model range and is therefore subject to change and mileage/model dependent.

Warranty

Accessories

Choosing an Audi isn't just a matter of deciding on the model you want; it's about creating a car that suits your needs perfectly. And that's why we've developed a whole range of accessories to enhance your A4, enabling you to customise it down to the last detail. Like your Audi, all these accessories are developed to the highest possible standards. They're all available exclusively from Audi.

To find out more, just visit **audi.co.uk/accessories** or contact your local Audi Centre.

Warranty

All the accessories available on the A4 are covered by a three-year warranty* if they are ordered and included in the purchase price of the car at date of delivery. Any accessories ordered and installed after delivery include a two-year warranty.*

*Excluding Road Angel products.
Audi Accessories warranty terms and conditions can be found at audi.co.uk

Merchandise

From the enthusiasts' motorsport collection to the sophisticated Audi collection, there's a wide variety of adults' and children's clothing, lifestyle accessories and collectables, all of which bear the Audi name.

Please speak to a member of our team at your local Audi Centre to see the full Audi collection and to place an order. A selection of Audi merchandise is also available to buy from **audi.co.uk/merchandise**

Audi Difference

The experts in Vorsprung durch Technik

Our Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle.

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you enhance the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

We offer two different schedules: the fixed Inspection Service and the variable LongLife Service schedule. The conventional fixed Inspection Service schedule has fixed intervals for the Oil-change Service and Inspection Service, which are determined by time and distance.

With the variable LongLife Service schedule, the Inspection Service intervals are also fixed but the Oil-change Service intervals are variable. Sensors take account of driving style and conditions to determine when the Oil-change Service is required and the driver is informed via the on-board service interval display.

The choice of Service Schedule will depend on journey type and mileage as well as individual driving style and conditions. The table to the right can be used for guidance but your Audi Centre will help you to determine the most suitable Service schedule for you based on your individual circumstances and preferences.

Fixed Inspection Service Schedule

	Vehicle usage:
Mileage	Less than 10,000 miles per annum Mainly city/town centre driving. Short journeys.
	Service Intervals:
Oil-change Service	Fixed to every 9,000† miles/1 year
Inspection Service	Fixed to every 19,000† miles/2 years

Variable LongLife Service Schedule

	Vehicle usage:
Mileage	More than 10,000 miles per annum Motorway and main road driving. Mainly longer distance journeys. Constant speeds.
	Service Intervals:
Oil-change Service	Variable to a maximum of every 19,000† miles/2 years
Inspection Service	Fixed to every 19,000† miles/2 years

When a vehicle is frequently used in the following conditions, we recommend a Fixed Inspection Service Schedule, regardless of mileage:

Uneconomical driving styles, e.g. heavy acceleration and braking, constant use of high revs

High engine-loading conditions, e.g. frequent towing and hill climbs

†As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even deliver to you.* We guarantee we can service your Audi within 5 days without a courtesy car or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.**

No hidden costs

We believe strongly in transparency when it comes to our prices. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

All part of the service

Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK, provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

For further information and terms and conditions please visit audi.co.uk.

* Subject to availability.

**Excludes wear and tear.

Max trailer load with 8% gradient[4], kg	1800	1800	1900	2100
Luggage compartment capacity, litres, seats folded up/down	480/962	480/962	480/962	480/962
Fuel tank capacity approx, litres	63	61	61	61
Emission standard	EU5	EU5	EU5	EU5

*Electronically limited.

[1]The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

[2]Fuel consumption and CO_2 emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.vca.gov.uk.

[3]Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

[4]The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

Pricing and Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we want to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Promise

Audi Centres

We guarantee that all our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm
Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20%, but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£471.66
Number plate	£20.00
VAT	£98.34
Total	£590.00

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- A 3-year paint warranty
- A 12-year anti-corrosion warranty
- 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance

Audi Finance specialises in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there is a range of funding options to choose from.

Below is the full range of finance products, which comprises:

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter which Audi model you choose, your local Audi Centre can provide you with a personalised quote designed to fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

We want you to start enjoying your new car from day one and thanks to Audi Insurance complimentary 7-day cover, you can. Call free on 0800 316 7893 (lines are open Monday to Friday 8am–9pm, and Saturday 9am–5pm), provide a few details and a cover note will be sent to your Audi Centre. They will then tax your car and you can drive it away.

Audi Insurance is a trading name of Volkswagen Insurance Service (Great Britain) Limited, an appointed representative of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230. Audi Insurance is sold, underwritten and administered by Allianz Insurance plc registered in England number 84638. Registered office 57 Ladymead, Guildford, Surrey GU1 1DB. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are authorised and regulated by the Financial Services Authority. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are not part of the same corporate group.

Additional information

CO_2 data and information

CO_2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO_2) a vehicle emits, measured in grams per kilometre (g/km). First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£105.00
E – 131 to 140g/km	£125.00	£125.00
F – 141 to 150g/km	£140.00	£140.00
G – 151 to 165g/km	£175.00	£175.00
H – 166 to 175g/km	£285.00	£200.00
I – 176 to 185g/km	£335.00	£220.00
J – 186 to 200g/km	£475.00	£260.00
K – 201 to 225g/km	£620.00	£280.00
L – 226 to 255g/km	£840.00	£475.00
M – over 255g/km	£1,065.00	£490.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate.
